**PHONE NO**: 0705575469

EMAIL ADDRESS: murulieugene@gmail.com

**CAREER PROFILE SUMMARY** 

I am a dynamic and results driven Information Technology graduate with practical experience in system installation, programming, and database management. I bring a hands on approach to solving technical challenges, optimizing IT operations, and supporting digital transformation. I thrive in fast paced environments, where I apply both creative thinking and technical skills to deliver smart, efficient, and scalable solutions. My track record includes leading digital projects, and streamlining IT infrastructure.

**EDUCATION BACKGROUND** 

**BSc in Information Technology Mount Kenya University.** 

May 2022 - December 2024

Successfully led and organized digital innovation events as Chairperson of the Ajira Digital Club

MKU.

**KEY SKILLS AND COMPETENCIES** 

Network Configuration & Infrastructure Support

Programming: PHP, HTML, CSS, JavaScript

Database Management: MySQL

**Digital Tools Integration & SEO** 

Graphic & Web Design

Communication (English & Kiswahili – Fluent)

Analytical Thinking & Problem-Solving

WHAT SETS ME APART

I combine solid technical skills with creative problem solving, proactive leadership, and process improvement. I have led digital initiatives, improved operational workflows, and developed

simple tools to solve real-world problems. My ability to work independently or collaboratively, manage time effectively, and adapt quickly to new systems makes me an asset in any organizational setting. I am committed to continuous growth and delivering impact through, efficiency and accountability.

#### **WORK EXPERIENCE**

#### **Assistant Lab Technician**

Kabete National Polytechnic May 2024 - September 2024

### **Duties and Responsibilities:**

Assisted in setting up and maintaining IT labs, ensuring smooth functionality of systems and networks.

Provided technical support to students and staff, troubleshooting hardware and software issues efficiently.

Conducted routine maintenance of computer systems and peripherals, ensuring optimal performance and minimal downtime.

Supported the development of practical sessions, aligning lab activities with the academic curriculum.

### **Key Achievements**

I played a key role in upgrading lab infrastructure, improving accessibility for over 50 students. Reduced downtime by 40% through proactive maintenance and timely troubleshooting. Created an inventory management system for lab equipment, enhancing accountability and resource tracking.

#### Chairperson

Ajira Digital Club, Mount Kenya University May 2023 - August 2024

# **Duties and Responsibilities**

I provided visionary leadership, planning and executing innovative club activities focused on digital skills development.

PHONE NO: 0705575469

EMAIL ADDRESS: murulieugene@gmail.com

Organized workshops and events, collaborating with industry professionals to inspire and equip

members with market-relevant skills.

Mentored club members in digital freelancing and online work opportunities, fostering a

culture of innovation and self-reliance.

**Key Achievements** 

I successfully increased club membership by 50% through targeted recruitment and engaging

programs.

Enhanced members' employability by introducing advanced digital tools and freelancing

platforms during training sessions.

**Facilitator** 

Taifa Teule Leadership Experience (TLX) January 2024 – April 2024

**Duties and Responsibilities:** 

Delivered leadership training sessions, guiding participants in developing critical skills such as

decision-making, teamwork, and communication.

Coordinated interactive activities and discussions, ensuring active engagement and meaningful

learning experiences.

Collaborated with fellow facilitators to design a comprehensive and impactful leadership

curriculum.

**Key Achievements:** 

I successfully mentored over 50 participants, many of whom took on leadership roles in their

respective institutions.

Recognized for outstanding facilitation skills, receiving commendations from program

organizers and participants alike.
